Acknowledgments

Without the help of the following named individuals, this map project would still be a dream, not a reality. I thank you all for all your hard work.
Les Hines, Dan Gillotti, Buddy Sadler, Bruce Flaherty, Mike Bookser, Bruce Moore, Bill Schneider, Keith Short, Peter Cole, Dave Bowman, Glenn Sheathelm, Larry McDougal, Mike Kelley, Victor Vilonis, Ron Leonard, Al Simms, Charles Seketa, George Heidt, Ron Griffin, Drew Martinson, Doug Young, Larry Solie, John Banicki and Dan Young.
Bill Kindred 198th LIB, 23rd Infantry Division
Bill and I got together in 2013, he has been researching for 8 years and sent me a 141 page LZ/FSB list. Bill is working the Goggles Earth and I'm doing the 1:50,000 series paper maps.
If I left anyone out, send me an email, I'll add you to the list. It's been long hours and filing system is all over the place.
Eddie S. Tricker, Defense & Employment Platoon, HQ Company, 1st Australian Task Force - Australia

Eddie is pinpointing the Australian Firebases.
Eddie is pinpointing the Australian Firebases with grids and maps.
A Special Thanks to my nieces Kimberly, Kelsey, Jennifer Nelson
and Jen's boyfriend Alberto, for their long hours putting all the grids
to the correct map.

A Very Special Thanks to my loving wife Pamela. For the last 18
years, we've spent very little time together doing things. I have been
24/7 doing this project. At first she didn't understand what I was doing,
now that she's seen the end results, she knows what it means to me
and my fellow Vietnam Brothers.
